Alabama Chess Antics

STUART & DANA STATE CHAMPS

The Birmingham Chess Club's "Dynamic Duo" of Stuart Rachels and Dana Therrell became the second set of co-champions in three years of State chess championships. Stuart and Dana rose to the top of the Alabama heap with 5½-1½ slates, one point behind the overall winner, Boris Kogan of Georgia. (Thus ineligible for the Alabama title.)

Kogan, a highly regarded ex-Russian master, scored six wins in a row before drawing with Rachels in the final round.

For Dana, it was a successful title defense, as he was also champion in 1981. In recent history, only the formidable Steve Hudson had recorded back to back state crown victories.

For Stuart, it was a Manifest Destiny, as the young powerhouse has shattered records everywhere he has gone, foremost of which was the great Bobby Fischer's record of the earliest age of attaining Master status in the U.S.

Two other players who performed excellently and had a shot at the championship up until the final round were Jere Roland and Robert Pruitt.

Jack Gwin and 1980 State Co-Champ Joe Jurjevich tied for 4th place with superb 5-2 ledgers in the tough 52-man Open field.

Darryl Freeman's excellent 4-3 performance included 6 upsets (!) and netted the Montgomery boardsman 131 rating points!

All in all, the tournament was a great success with a grand total of 92 players in the two sections, and if memory serves that is a record attendance, at least for recent years. Congratulations to both the Anniston Chess Club and Tournament Director L. Thad Rogers.

ALABAMA STATE CHESS CHAMPIONSHIP

AMATEUR SECTION

The hotley contested Amateur section boiled down to an incredible 5-way tie for 1st place whith Glenn Umipeg, David Roland, Richard Horton, Ferrel Moore and Larry Hutton all compiling 5½-1½ slates.

Fortunately, Horton and Moore were Georgia players, so the coveted state title only endures a three-way split. Congratulations Glenn, David and Larry!

James Wallace and Timothy Tenley were hot on the trail of the leaders, and finished ½ point back at 5-2 and tied for 6th place.

MY CHESS OVER THE SUMMER

by Stuart Rachels

Following are some games from tournaments all over the U.S. which I played in this summer.

The following game is from the last round of the '82 U.S. Junior Open, in which I tied for first with David Gertler, a New Jersey master. We both had scores of 7-1. As a result of my performance in this tournament I will be seeded into next year's Junior Closed, which Joel Benjamin won this year.

BLACK: Stuart Rachels (2177)

Next came the 1982 World Open, in which I scored 4½-3½. The following is my second round game, during which the picture of me in the October Chess Life was taken.

Next I played in the Coosa Valley Open in Sylacauga. Here's my game from the fourth round. In this game I managed to beat John Daugherty, although he avenged this loss in the State Championship.

My last major tournament of the summer was the State Championship in Annistone, in which Dana Therrell and I became State Co-champions. The following game is from round 5, against Rex Blalock of Georgia. In our only previous meeting I messed-up horribly in a rook and pawn endgame and lost. As fate would have it, this game was a rook and pawn ending, also.

As I was flipping through the last Antics and skimming through all the games, I came to the end of Wallace-Ostapczuk from the U. of A. Summer Open, where it said: "The reviewer leaves it to the reader to determine if Ostapczuk had a win."

Naturally, I took this as a challenge.

Here is what I found:

Wallace-Ostapczuk

After 48. Kf3

This is where black missed a win. Endgames are the foundation of chess. The difference between not-so-good players and good or even great players is an understanding of the endgame. Anyone who has a desire to become a good chessplayer should master the endgame. But that is easier said than done!

And the win is.....

CONFEDERATE OPEN

by Raymond Robertson

July 3rd was hot. And it got even hotter as 64 chess players converged on the Beacon Park Inn in Birmingham. Thirty seven players entered the Open section and twenty-seven the Amateur.

Several celebrities graced the tournament: Dana Therrell ('81 & '82 state champ), Art Ganey ('81 Alabama Amateur champ) and Paul Kuroda (1982 National Open Co-Champion).

The tournament produced a few surprises; the largest being, Otis Daniel ending in a tie for first place! Not only that, but he defeated a senior Master, two Candidate Masters and drew a Master while doing it! Congratulations, Otis. (He also picked up a hundred and fifteen rating points!)

Now for the results: 1st place in the Open section was shared by Michael Lucas (Ga) and Otis Daniel. Each player managed a total of 4½ points.

Dana Therrell, Paul Kuroda (Ark), and Ben Sides each captured 4 points and a share of 3rd place.

Top Cat. I honors were shared by Robert Pruitt, James Carlton Johnson, Jack Smith Jr. (TN) and Craig Kozel (ARK) with 3 points each.

First place in Cat. II was taken by a loner. Tom Burkett managed 3 points. 2nd place ended in a 3-way tie. Art Ganey, James Waldrep and Ronnie Priest fought there way to a 2 point finish.

montgomery CHAMPIONSHIP

1982 MONTGOMERY CITY CHESS CHAMPIONSHIP

by Darryl Freeman

The 1982 Montgomery Chess Champion is Lamar Daniel. With 3 points going into the last round, all he needed was a draw against Tom Nard to assure himself of victory. Playing with the white pieces, he chose a very drawish line of the Ruy Lopez. He and Tom soon agreed to a draw thus giving the championship to Lamar.

Tom Nard, with three points, finished tied for second with Michael Lawson. Fred Dreher and I tied for 4th with 2 points. I, by the way, took the Amateur over all the others 1700 and under. This was accomplished with my 4th round win over Keith Jakeman.

Alan Todd, Ben Sides and Paul White all tied for 6th, while Keith Jakeman and Edgar McNees finished out the last two slots. Ben Sides, unfortunately, could not play his last round game because of work.

The most interesting part of the tournament was not the games but rather the pre-tournament time. Last year during the championship, Keith Jakeman lost a game to Lamar Daniel that he thought he should have won. So, on this particular morning, he kept saying, "I want Lamar first round!" over and over. Well, he got Lamar first round and now he wished he hadn't.

Keith-your vengeance will have to wait another year, and meanwhile, Lamar will be waiting too.

At the beginning of each day's play, a round-robin Speed Chess Championship was held. As last year's champion (I took the trophy on tie-breaks over Robert Pruitt) I was on the defending end. This, also unfortunately, was to be a short reign as champion. Tom Nard, Johnny Tamplin and Fred Dreher tied for the championship.

A speed chess match between the three was held and after Tom beat both Johnny and Fred, he took the trophy. Congratulations to both Lamar and Tom for jobs well done.

I'm sorry, but I couldn't get any of the other games from the tournament so I've enclosed a couple of mine. They're not masterpieces but what can you expect from a 1600?!

- (B.) Here I suspected R-B8+ and winning the Queen with Q-R2+ followed by N-B7+. I guess Fred decided a Rook & Knight was too much compensation.

This game was important because if I could win it and if Fred beat Paul in the last round, I'd win the Amateur prize. A draw and Paul and Keith and I would tie.

the 1982 SUMMER CHESS OLYMPICS

Heavyweight

Joe Jurjevich, the "Bay Minette Flash", struck once again at the 1982 Summer Chess Olympics. The former state champ outdistanced a small but powerful field to take the Heavyweight Gold Medal with an undefeated $4\frac{1}{2}$ - $\frac{1}{2}$ ledger, a full point above his closest competitor!

Brent "Great American" Inman took the Silver Medal on tiebreakers over Marc Lynn of Wyoming and Dale Jones of Mississippi, as all three players scored $3\frac{1}{2}$ - $1\frac{1}{2}$ to tie for 2nd. Ricardo Ferreira of Tuscaloosa was the top "Under 1800" in the tournament with a $2\frac{1}{2}$ - $2\frac{1}{2}$ slate.

Both boardsmen won \$40 for their performance, but Mohamad took the Gold Medal on tiebreakers, while William took the Silver. Third place and the Bronze chess medal went to James Steadman, who won his first three games and finished 3-2

Mobile's Ken Germany captured the "Under 1300" Gold Medal and a share of 3rd place with a 3-2 score along with Harold Clark of Pensacola, who took the Unrated prize.

August Open

by Keith Jakeman

On August 21, a double-round robin tournament was held at Southlawn Baptist Church in Montgomery. The T.D.'s were Darryl Freeman and myself. The crosstable below tells the whole story and the game between Darryl and Richard Roberts was the key game of the tournament, giving me first place. The other two games were my favorite.

October Tornado

Oct. 2, 1982

by Keith Jakeman

Thanks to better promotion by Darryl Freeman and myself, this time our tournament attracted 12 players from Montgomery and the Ft. Rucker area. Held at Southlawn Baptist Church, the tournament proved to be very close and exciting, as was showed round by round.

In round one, the biggest upset of the tournament was scored by me when I defeated Ben Sides by virtue of the second time control, winning the upset trophy for me. All the other games went as expected.

Round two saw Lamar Daniels, Michael Lawson, and Chris Bond move into 1st place with 2 pts.. This was Chris Bonds first tournament in some three years and he proved he had not lost his touch for the game.

By the end of round three, Lamar Daniels took sole possession of first place: never to look back as usual. But the fight for second and third had just begun! Ben Sides drew Michael Lawson to give Michael clear second and set up a showdown between him and Lamar for first.

Lamar defeated Michael to take first place, Congratulations! Ricky Barnes, upset of me placed the fate of second and third place on the game of Chris Bond and Darryl Freeman, which was eventually declared a draw after a disputed draw offer. This gave Michael Lawson second on tie breaks over Chris Bond, who took third, and Darryl Freeman, who took the 1900-1500 prize. Ricky Barnes took the 1499-1300 prize and Joel Galle took the under 1299 prize. All in all it was a good tournament and we plan to have the next one in mid April.

THE JACKSON COUNTY OPEN

By Raymond Robertson

I did not know quite what to expect that Saturday morning. Some of my earlier tournaments had drawn a ex-world champion and a current National champion. I was prepared for almost anything.

When the registrations were finally over, forty-two players had entered. This tournament did not pull some of the powerhouses that my other tournaments did. But- believe it or not -it was one of the toughest. No one was able to achieve a perfect score.

TDing wise, except for slight (?) pairing problems in the third round, the tournament went smoothly, for me that is.

First place was shared by 4 players. Brian McCarthy, Steve Hunt, Scott Godfrey, and Milton Wright each ended the tournament with 3½ ppnts. (all were from out of state)

Category I also saw a four-way tie. Jere Roland, John Daugherty, Tom Farr, and Richard Bellezza all had 2½ points.

Category II wasn't so lucky. Six people managed to tie for the top prize. Terry Burdett, Arthur Ganey, John Gustafson, Robert Presswood, John White, and Charles Laws battled to a 3 point finish.

Almost as if following suite, category III ended in a five-way tie. Glenn Umipeg, Mohamed Abdel-Ghany, Norman Collingsworth, Dannie Pendergrass, and Ralph Holloway attained 2 points each.

Category IV was the pattern breaker. Micky Bowman gained 3 points and the top prize. Howard Reeves fought to a 2½ point finish and took 2nd.

The category V & VI prize was split by Walter Mintz, Jr. and Richard M. Patterson. Each player had 1 point.

The unrated prize also ended in a tie. Michael Kozel and Richard E. Patterson finished the tournament with 1½ points each.

PRESIDENT'S REPORT ALABAMA CHESS FEDERATION

sept. 1982

A.

DUTIES

I have been so involved with my studies at college this year that it seems like I have been doing nothing chess-wise. But as usual I had been keeping track of the Antics, the state tournament in Anniston, and the state clubs. I directed two major tournaments for the Huntsville Chess Club, the Space City Open and the North Alabama Invitational Scholastics, which drew 95 and 78 players. I helped the ATPA begin its enterprise of promoting tournaments by directing the North Alabama Open and the Confederate Open.

Unfortunately, not all my plans were completed. In one issue of the Antics I mentioned being in two-month's contact with each club and writing an organizer's newsletter. This plan was not realized; most of the material was gathered but there never seemed any time to type it up, collate it, and then mail it out. A lot of material was simply thrown away as it become outdated.

B.

CLEARINGHOUSE

The clearinghouse worked quite well for the six-month period after the Queen of Hearts. There were many tournaments scheduled and all those who planned their dates found no conflicts. But I notice with the latest Antics that we have lapsed back into not everyone clearing their dates. I will take part of the blame as I did not directly contact many clubs during the last few months, but all the clubs should be coming to me first of their own accord. Alabama's tournament schedule is getting larger and larger as new clubs form and existing clubs have more tourneys. One hazard of the tight schedule is that the Ala. Team tournament could not find a good date.

C.

ELECTIONS

The following members are listed for the offices they are running for. The spot for Secretary is unfilled as Ernie Cockrell just recently resigned. His duties will be temporarily filled for the state meeting. No candidate's letters were received by Lars for any office, but members may be nominated the day of elections.

The incumbents wish to continue to encourage the development of club activities and to help start new clubs. Plans are to finally do the paper work for obtaining an IRS tax-deductible status with strong support of Gerald Wheeler of Huntsville. Possibly the Southern Open will be revived if it is legal and feasible to do so.

D.

AFFILIATES

All ACF affiliates are to pay their dues this year in September, all in the same month. Any club which has dues overlapping into this fiscal year need pay only the difference needed to be covered until Sept. 1983.

Regards,

Walter F. Malmberg, Jr.
